4. The tender should be either quotation of rates at which the different items specified in the estimate will be executed or of the percentage above or below the total estimate amount minus contingencies.

5. The final acceptance of the tender will rest with the President, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute the usual contract bond, in an eight anna stamped paper, depositing the earnest money as security for the due fulfilment of the contract, in default of which his tender will be considered cancelled and his deposit money will be forfeited.

7. The work should be completed within two months from the date of the acceptance of the tender.

8. The name of the successful tenderer will be posted on the notice board in the Municipal Executive Engineer's Office in due course. No enquiries in the Municipal Office, regarding the acceptance or rejection of a tender will be permitted.

9. The earnest money of the unsuccessful tenderers will be returned to them, on an application to the Municipal Executive Engineer, after the date of settlement of the tender.
